INTERNSHIP

(17.06.2019 to 03.07.2019)

Designation: Web Designing

Name of the company : Training Trains

Coimbatore , TamilNadu

Few words about Internship : I gained the knowledge of the web and how it can be designed in a correct way and the browser internals from scratch. I gained confidence in designing web pages.

PROJECT

PROJECT 1

TITLE OF THE PROJECT: Transport Computerization

ABOUT THE PROJECT

It is a Basic computerization Website designed using html and php. It is used to view the consignment details by the admin in his login credentials. If the consignment load exceeds the limit it shows new truck has to be sent.

FINDINGS AND SUGGESTIONS

1. It is my first attempt to create a website. I found how server works for the website like xampp.
2. Then how phpMyAdmin stores the database in the table form and how to connect frontend and backend using local server in our system
